SHORTHORN SALE

MARYVILLE, MISSOURI

Monday, November 20, 1916

GRAY'S SALE PAVILION
AT 1 O'CLOCK P. M.

ANNOUNCEMENT

THE OFFERING—To the breeders of Shorthorn Cattle we extend a cordial welcome to visit this sale, and can assure you that you will find reliable and useful cattle which have made money for their former owners, and are in condition to make profitable places for themselves in the average herd of Shorthorns. The twenty bulls listed represent some of the most desirable Scotch families, as well as some good farmers' bulls. Of the females, seventeen have calves at foot, others are heavy with calf, and the open heifers are unusually attractive and offer some unusual opportunities to the buyers.

THE GUARANTEE—Cows with calves at foot are proven breeders, and no further guarantee is necessary. All other cows and heifers that have been bred shall prove to be in calf or get in calf, but if they do not after a reasonable period, they may be returned and another animal of equal value will be given in exchange, purchaser paying transportation charges. The bulls are guaranteed breeders provided they are given proper care. No animals known to be shy breeders will be offered in the sale.

TERMS—Cash or short time note bearing 8 per cent interest. If not personally known to us, please bring bank reference. Cattle at buyer's risk as soon as bid off, but will be loaded for shipment free of charge. Health certificates furnished when necessary.

JONES AND HOSMER, Auctioneers.

Attention is called to Bellows Bros.' Sale the day following.
